Application No. 09/981,816
Filed 10/19/2001

To whom this may concern:

Amongst other things which happened, the disc with my application text was destroyed. I had copies of the specification and claims but not of the abstract, which I rewrote as instructed by someone from your Inventor Assistance department. The content of the abstract complies with the content of the specification and claims.

Yours sincerely,

Roger Field
